RE: 2023 **Canstruction Houston** Event

Dear <Contact Name>:

The **Canstruction Houston** Design Build Competition has become one of Houston's major public events for the design community to **benefit the Houston Food Bank**. On Saturday, November 11, 2023, Houston area design professionals will again go head-to-head in the **Canstruction Houston** Competition campaign to **end hunger**. Contestants are challenged to design and build cansculptures with can labels and imagination being their only limits. In 2022, 14 teams participated with their cansculptures and they generated more than 100,556 pounds of food, which provided 120,667 meals for the 2022 Holiday Season, through the Houston Food Bank. Houston came in second in the nation for food donation. **Our goal this year is to double the number of teams in our competition and we will need generous sponsors to help make this goal a reality.** Please visit the event website for more details at [www.canstruction-houston.com](http://www.canstruction-houston.com).

This year, <your firm name> is participating in this design competition to help **end hunger** and we are seeking sponsors to assist our team with the purchase of the food cans needed for our cansculptures entry. Our structure design is <enter your structure design> and our theme to end hunger is <enter your theme>.

This year the **Canstruction Houston** Award Ceremony is scheduled for **Wednesday, November 15** at George R. Brown Convention Center, Houston, TX. **Please Save this Date!!** We will be sending invitations to all our sponsors so you may plan to attend the event and come view all the cansculptures for this year. It is truly a unique event where student teams and AEC firms demonstrate their design talent while also supporting a great cause.

All team sponsors will be listed in the event program, showcasing all the businesses in Houston that support this very worthwhile event. Local network television coverage is planned, as well as articles in the Houston Chronicle, Houston Business Journal, Houston Construction News and in many press releases before and after the event. Team contributions may be made by check made payable to \_\_\_\_\_ <team company name >.

Please support our participation in this event to benefit **The Houston Food Bank** and the hundreds of thousands of Houstonians they feed each month. Thank you for your commitment to the fight against hunger, and we look forward to your participation and sponsorship. If you have any questions, please contact our Team Captain, <name> at <phone number>.

Very truly yours,

<Your Firm's Principal name and signature>
